

1 KILLER · 5 SURVIVORS

VIOLENCE DISTRICT

SURVIVOR PERKS & ITEMS ULTIMATE GUIDEBOOK

GUIDE BOOK BY MYBUU

[NEXT](#) >

1 1 Killer memburu 5 Survivor dalam satu arena tertutup.

2 Survivor harus memperbaiki (repair) 5 generator tersebar di Map.

3 Setelah semua generator selesai, alirkan listrik ke gerbang keluar (gate) untuk membukanya.

4 Survivor harus bertahan hidup selama 15 menit dan melarikan diri sebelum tertangkap.

Setiap Survivor menyusun kombinasi 3 perk dan 1 senjata/item sebelum ronde dimulai. Kombinasi ini menentukan gaya bermain: agresif, support, stealth, atau full solo-survival.

The screenshot shows the game's perk menu. At the top, a purple banner reads "AURA REVEALING". To its right, the text "Visual Learner" is displayed in a large, bold font. Below the banner, the perk name "Aura Revealing" is shown above a grid of icons representing different perks. The selected perk, "Visual Learner", is highlighted with a larger icon and a detailed description box on the right. The description states: "Whenever a Generator gets completed, gain a token. You start with 1 token by default. After fast vaulting, a token is used and reveals the aura of the Killer for 7 seconds if they are within a 150 stud range. This has a cooldown of 25 seconds. Additionally, this perk increases any aura read duration by 2 seconds." Below the description, a quote from the character says, "My minds eye guides me through the dark." At the bottom left, the text "Cooldown: 25 detik" is followed by a yellow note: "Best: Scouting posisi Killer di late-game." A red arrow points to a "Return" button at the very bottom.
